AN ACT to amend the tax law, in relation to creating a tax credit for households or businesses that install a water purification or filtration system

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 606 of the tax law is amended by adding a new subsection (iii) to read as follows:

(iii) Water filtration or purification tax credit. (1) A taxpayer who purchases and installs a water purification or filtration system in their residence and/or business, if such residence or business is located within this state, shall be allowed a credit against the tax otherwise imposed under this article in an amount equal to five hundred dollars.

(2) A taxpayer may claim one credit pursuant to paragraph one of this subsection for each residence or business for which the taxpayer purchases and installs a new water purification or filtration system.

(3) For purposes of this subsection a "water purification or filtration system" shall mean a system that removes impurities from water by means of a fine physical barrier, a chemical process or a biological process that was installed by a professional.

§ 2. This act shall take effect immediately and shall apply to taxable years beginning on or after January 1, 2018.
